

The Minnesota Pollution Control Agency wants your input!

The MPCA has planned a series of listening sessions to discuss how to comply with EPA's Clean Power Plan, a rule aimed at reducing carbon pollution from power plants.

Listening Session 4: Duluth
February 23, 2016, 5:30pm-8:00pm

University of Minnesota Duluth
1049 University Drive, Duluth, MN 55812
Engineering Building, Rooms 265/231

Open house from 5:30pm-6:30pm, followed by a meeting and listening session from 6:30pm-8:00pm.
