April 26, 2021

The Honorable Charles E. Schumer
Majority Leader
U.S. Senate
322 Hart Senate Office Building
Washington, DC 20510

Dear Majority Leader Schumer:

We support the nomination and approval of Janet Garvin McCabe to be the U.S. Environmental Protection Agency's (EPA) Deputy Administrator.

She has demonstrated great skill and knowledge during her previous service at the EPA. We appreciated her willingness to meet with manufacturing companies to discuss important environmental matters, which can impact manufacturing competitiveness and jobs.

Sincerely,

Paul N. Cicio

Paul N. Cicio
President and CEO

cc: U.S. Senate

The Industrial Energy Consumers of America is a nonpartisan association of leading manufacturing companies with \$1.1 trillion in annual sales, over 4,200 facilities nationwide, and with more than 1.8 million employees. It is an organization created to promote the interests of manufacturing companies through advocacy and collaboration for which the availability, use and cost of energy, power or feedstock play a significant role in their ability to compete in domestic and world markets. IECA membership represents a diverse set of industries including: chemicals, plastics, steel, iron ore, aluminum, paper, food processing, fertilizer, insulation, glass, industrial gases, pharmaceutical, building products, automotive, independent oil refining, and cement.
