Mr. Paul Cicio
Industrial Energy Consumers of America
1155 15th Street, NW
Suite 500
Washington, DC 20005

Dear Paul,

I am writing to thank you for participating in the annual meeting of EPA's ENERGY STAR Focus on Energy Efficiency in Steel Manufacturing. Your presentation on energy price trends and demand drivers was excellent as was evidenced by the interest from the companies.

I realize you are busy and that your participation was not easy to arrange. For these reasons, we appreciate you all the more so for making the time to share your expertise! Thank you again.

Sincerely,

Elizabeth Dutrow
ENERGY STAR Industrial Partnerships
